COLOR COLOR EVERYWHERE!!

ALL SUPPLIES INCLUDED

Experiment with CMYK colors in Gouache, and Acryla Gouache. We will be mixing a multitude of colors from a very few, to produce the richest and vibrant colors ever! Color mixing with Munsell Color theory as a basis, exploring the color wheel and getting hands on concerning complimentary colors, and juxtaposed colors. Colors next to each other can change the visual outcome of a painting, regardless of paint type. Come explore and have fun outdoing the masters! All materials included.
